As we discussed, a Wisconsin court might find that specifying the organization Teach for America makes this legislation a "private or local bill" that, under art. IV, sec. 18, of the Wisconsin Constitution, must be enacted as single-subject legislation. Under *Milwaukee Brewers Baseball Club v. Wisconsin Dept. of Health and Social Services*, 130 Wis. 2d 79, 115 (1986), "a legislative provision which is specific to any person, place or thing is a private or local law within the meaning of art. IV, sec. 18, unless: 1) the general subject matter of the provision relates to a state responsibility of statewide dimension; and 2) its enactment will have direct and immediate effect on a specific statewide concern or interest." If a court finds that this legislation is a private or local bill under art. IV, sec. 18, of the Wisconsin Constitution, the court could invalidate the legislation based on the fact that it was enacted as part of the state budget bill, which clearly encompasses more than one subject.
